New ATM at Your Credit Union!

Have you visited the new ATM? ICCU now has **two** ATMs at the Main Office on Isabella Rd to better serve you. You are welcome to use either ATM to make deposits, withdrawals, check balances, or make transfers within your account.

We hope you enjoy this new addition!

Do You Have a High Deductible?

Health Savings Accounts are now available to members who have a HSA-eligible, high deductible health plan. A high deductible plan typically requires you to pay for medical expenses incurred until your deductible is met. A health savings account allows you or your employer to set aside pre-tax funds for qualified medical expenses that would normally be out-of-pocket. Visit ICCUonline.com or talk with a Financial Service Representative to learn more!
